Dear Sir/Madam

**Proposed Extensions at Pumpherston And Uphall Station Primary School, 37  
Drumshoreland Road, Pumpherston, EH53 0LF** (520 REF. 306969 669 624)

I refer to your application which was received on 30 March 2015. Unfortunately I cannot register and process your application for the reasons listed below.

1. Please note that the red line boundary which has been created for the works would make this a major planning application (over 2 ha). Please therefore forward an amended location plan with the proposed extensions only outlined in red and any other land in your ownership outlined in blue.
2. Please also confirm the total floor space to be created so that the correct fee can be calculated.

I would therefore ask that you respond to these outstanding matters as soon as possible. If you would like to discuss the contents of this letter, please do not hesitate to contact me on the telephone number above. If I do not hear from you by **01 May 2015** I shall assume that you do not wish to proceed with your application and it shall be returned to you.

Yours faithfully

A handwritten signature in black ink, appearing to be "Linda Christie".
