Hi Linda,

Just a bit of back-up on the back of our conversation regarding lodging the Drumshoreland Housing planning Application & pints raised on WLC Planning's letter to Anderson Bell Christie Architects :-

1. Planning Permission in Principle – Ross Burton has cleared this issue.
2. Cost Centre – 87925 & Subjective Code – 734100
3. Coal Authority Report – Copy attached (excerpt from original Site Investigation Desk Study).

Hopefully, this should allow you to process things from your end but let me know if you need anything else.

All the best.

Grant
